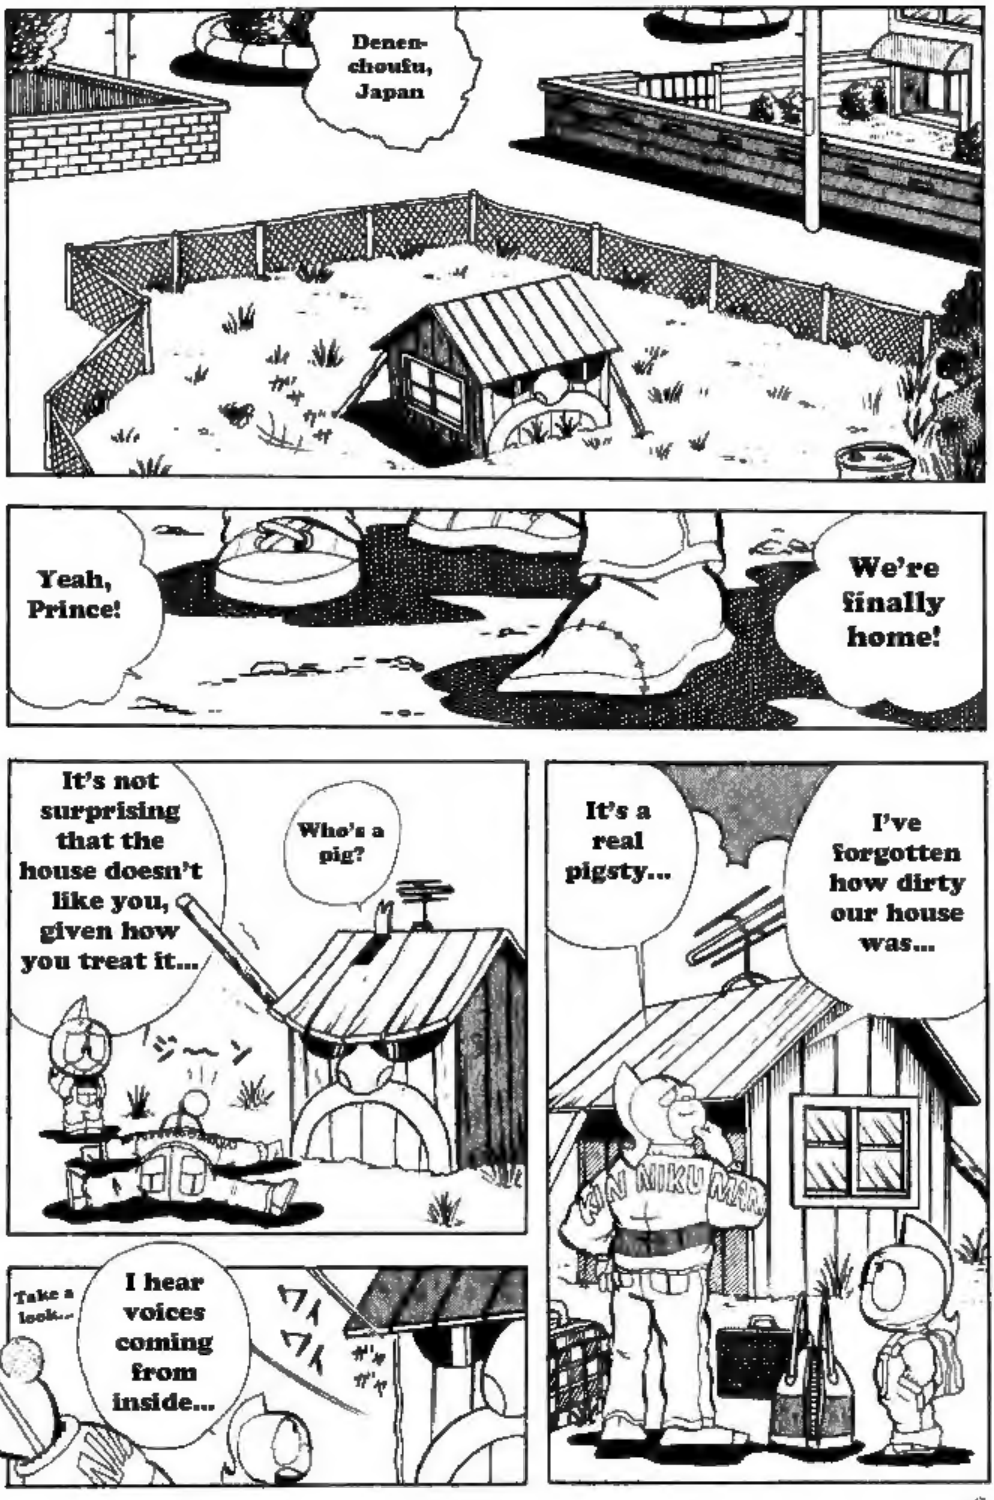
Christmas Kaijuu



Denen-choufu, Japan
Yeah, Prince!
We're finally home!
It's not surprising that the house doesn't like you, given how you treat it...
Who's a pig?

It's a real pigsty...
I've forgotten how dirty our house was...

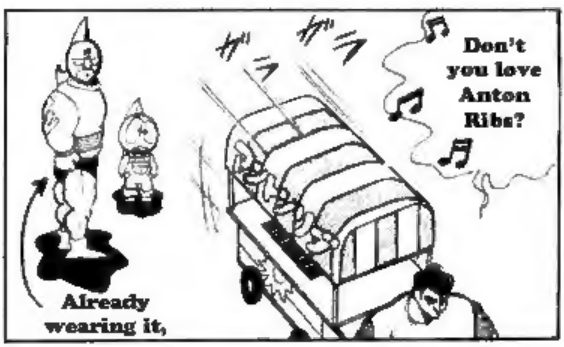
You're worthy to wear them, too!
These are wrestling shorts that you wore!

I want you to have this.



Don't you love Anton Ribs?
Already wearing it,

Why do we have to patrol on Christmas?
We're the only thing that can stop an attacking Kaijuu!

I forgot to bring it.
Yes, this is a perfect chance to use my one-shot greatest weapon!
Yocchan, shall we make an example of it?
Let's do this!
That should pack the power we need!

Huh?

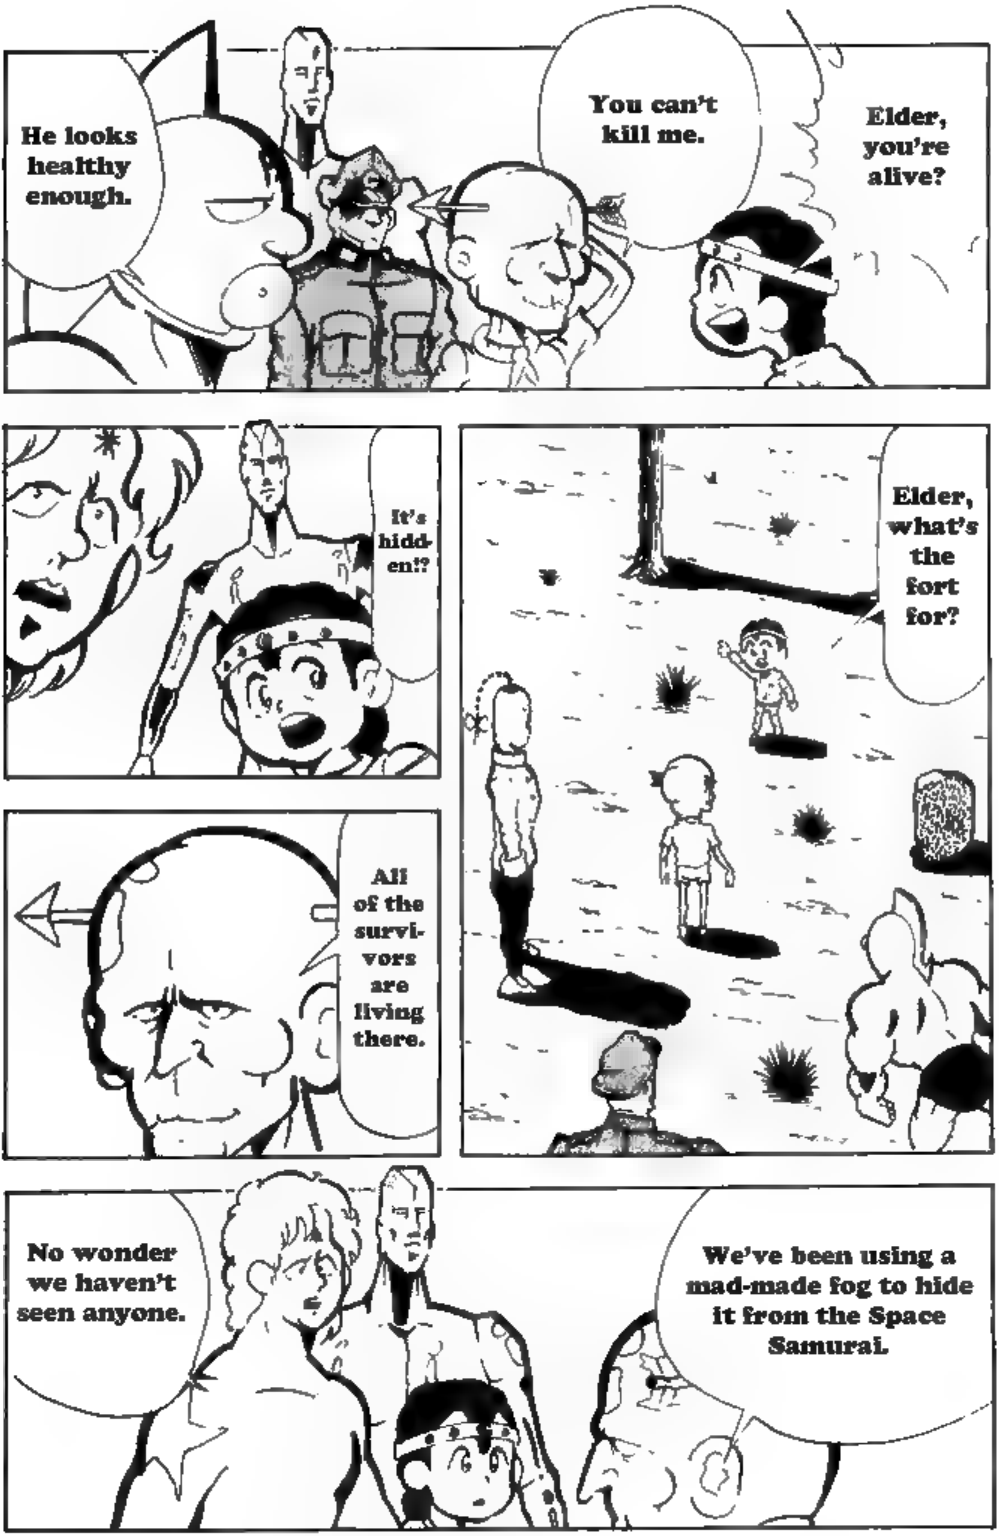
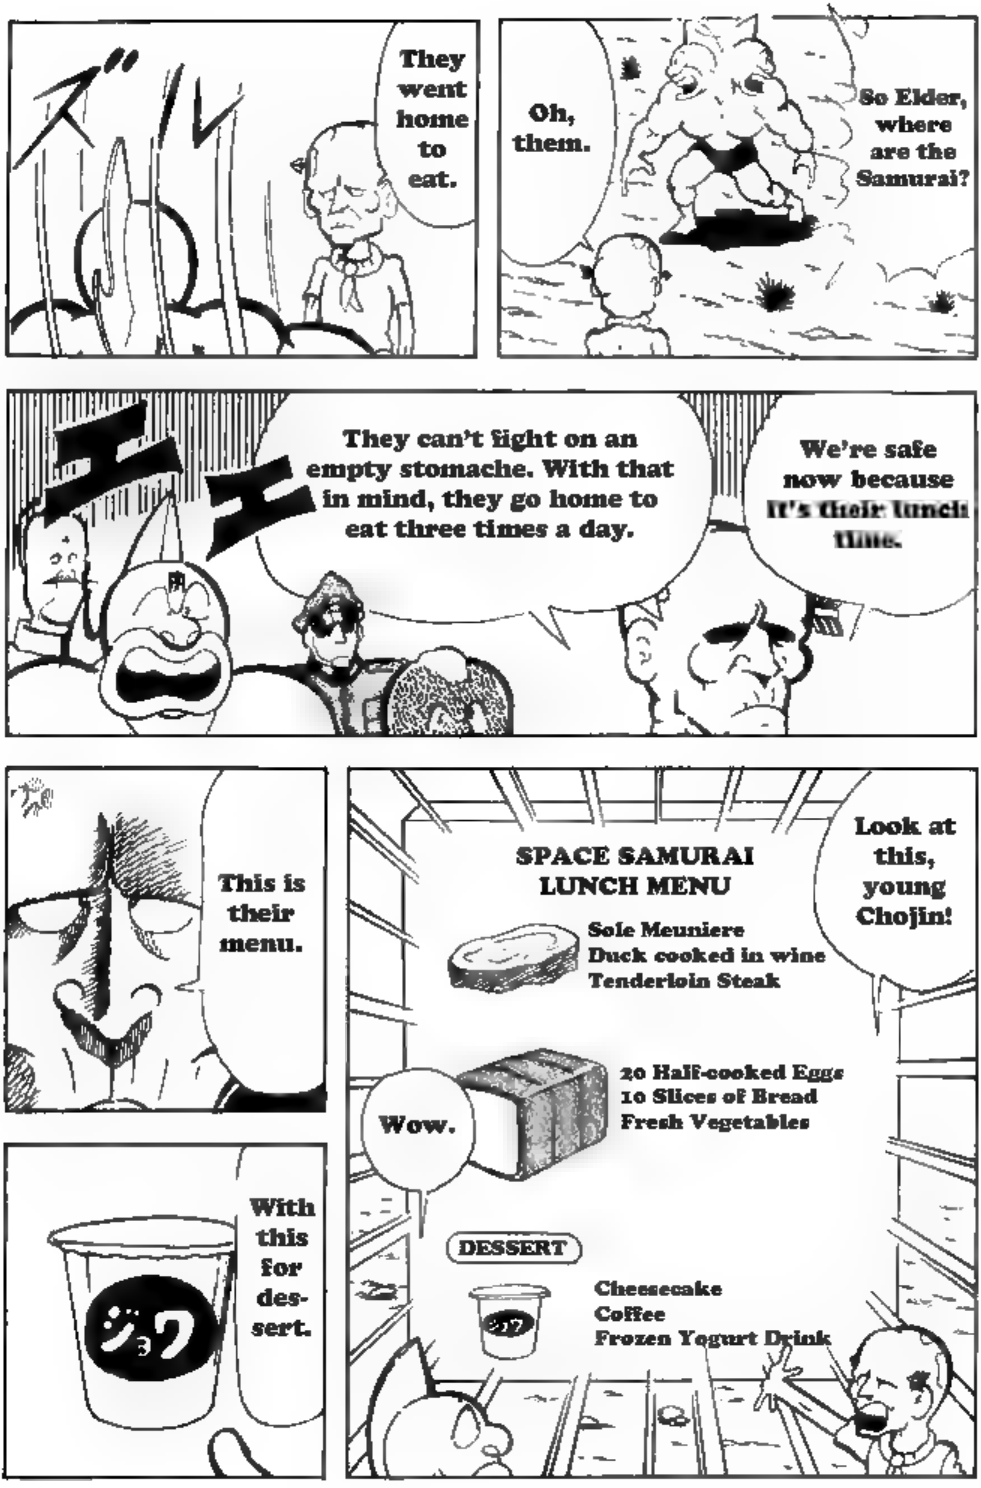
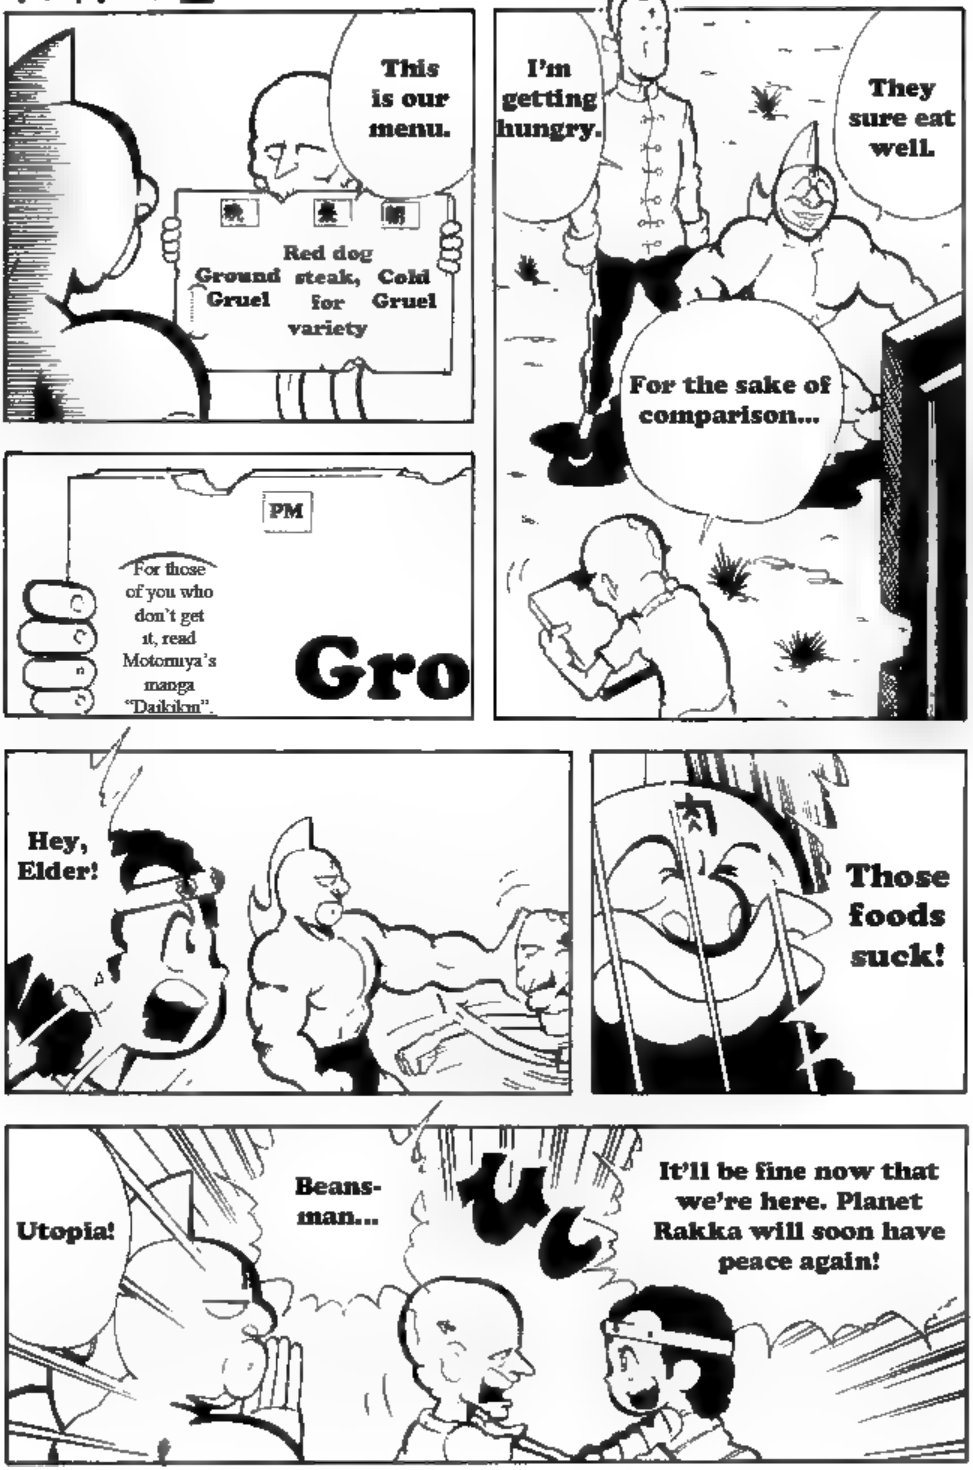
That's...
Are you surprised, Beansman?
That means you're...



He looks healthy enough.
You can't kill me.
Elder, you're alive?
It's hidden!?
Elder, what's the fort for?
All of the survivors are living there.
No wonder we haven't seen anyone.
We've been using a mad-made fog to hide it from the Space Samurai.



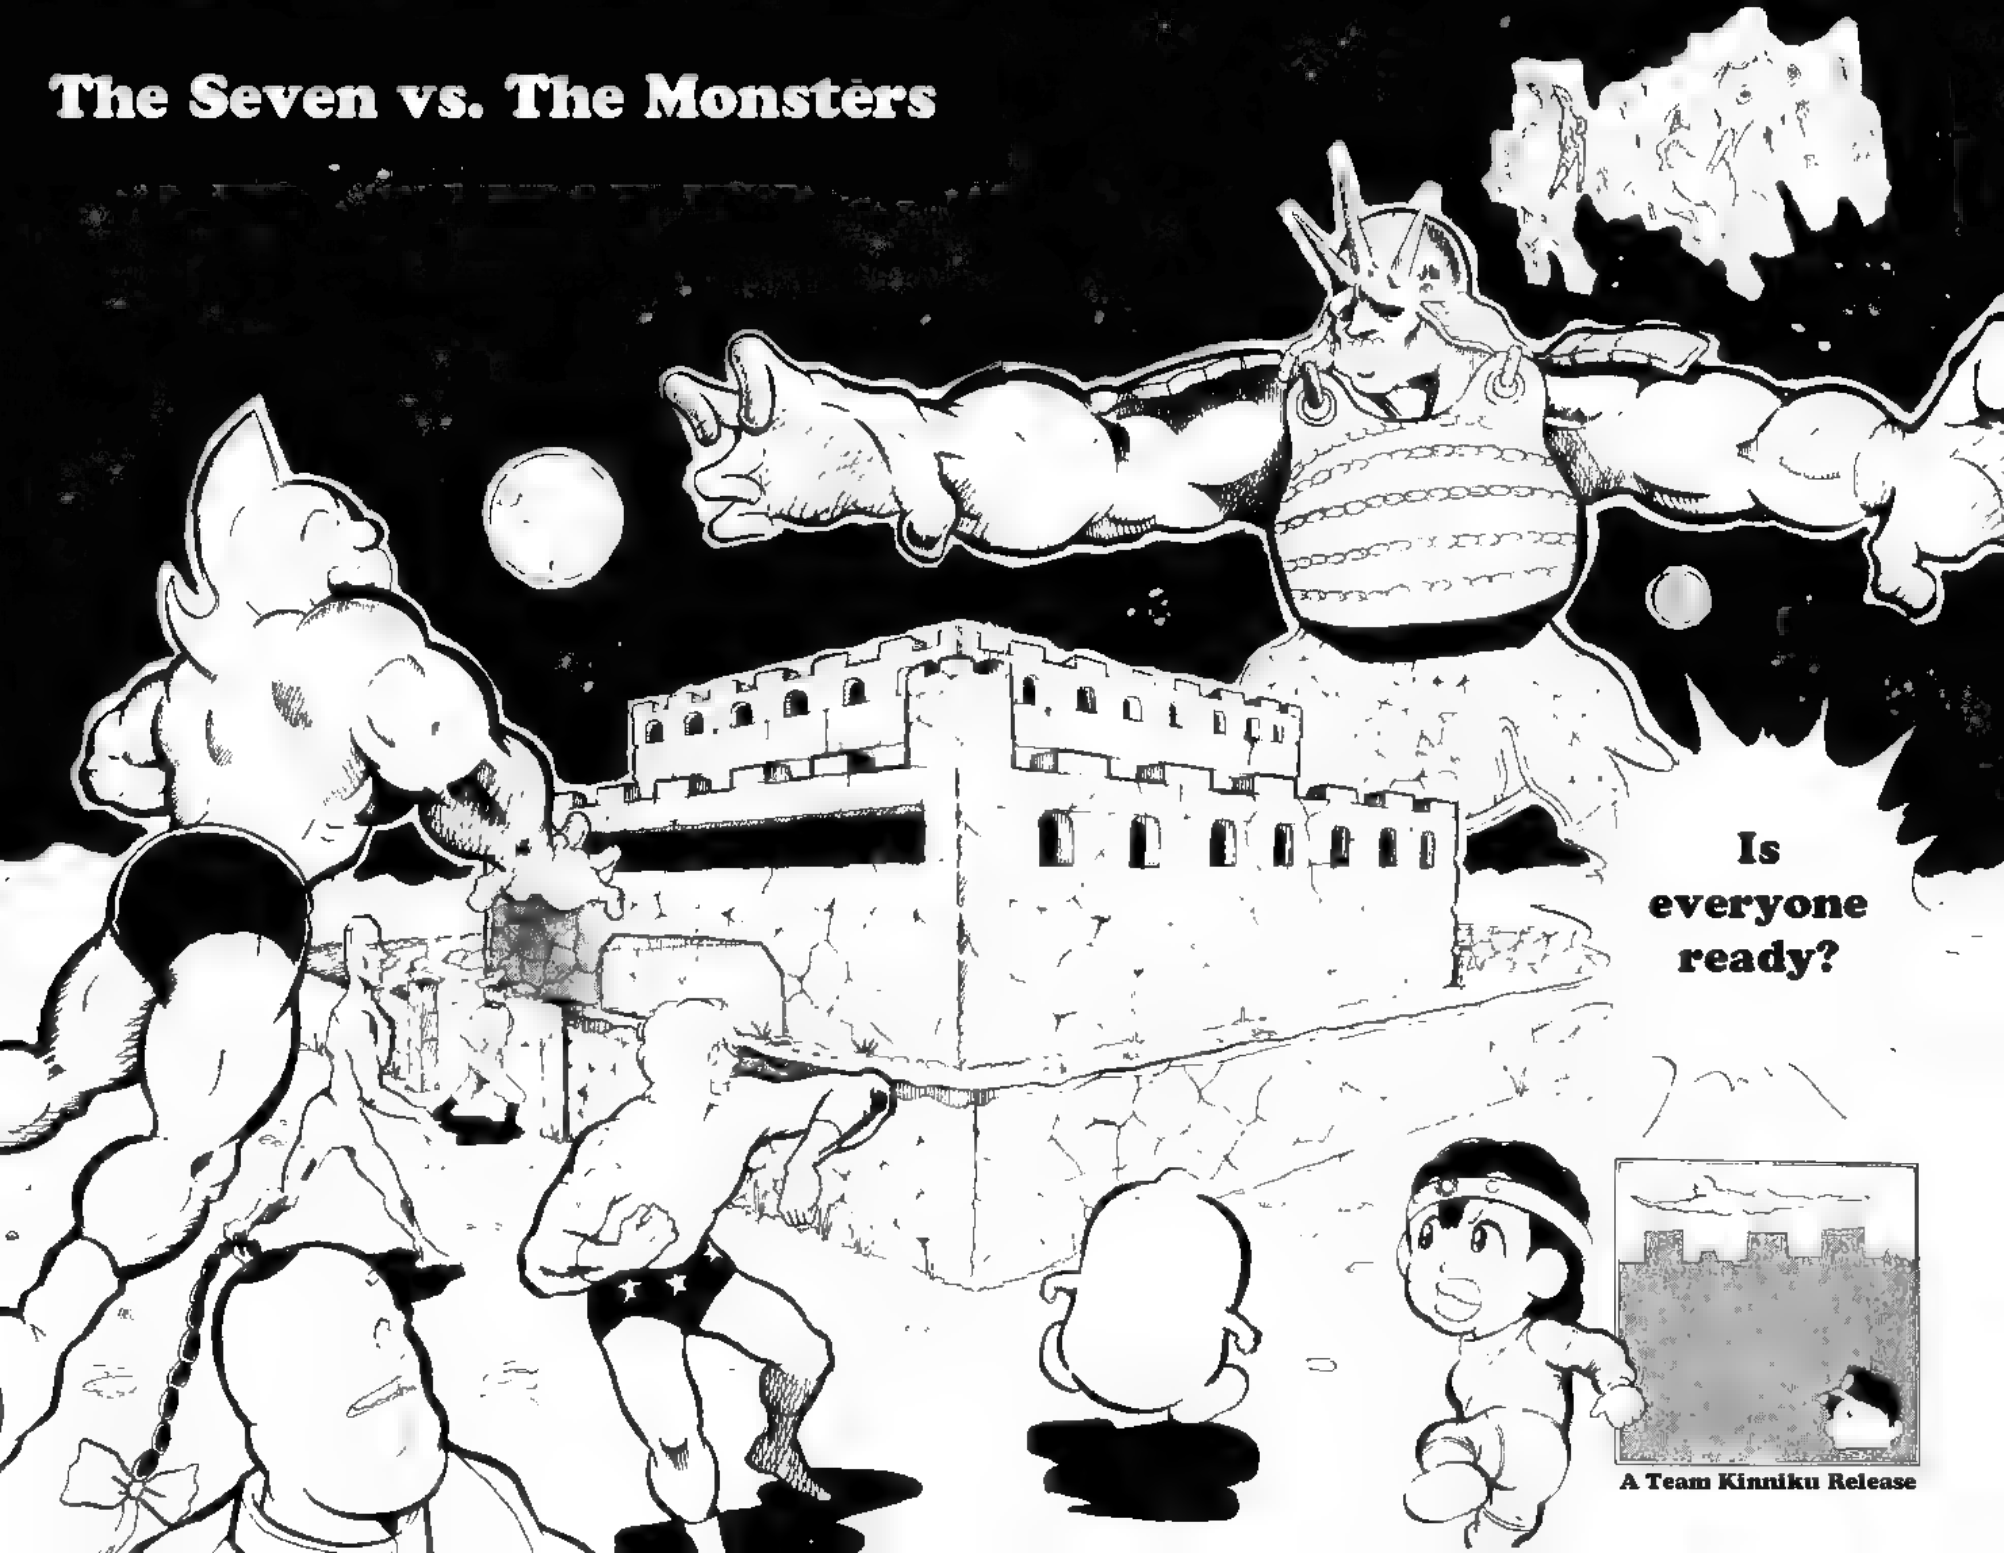
They went home to eat.
Oh, them.
So Elder, where are the Samurai?
They can't fight on an empty stomache. With that in mind, they go home to eat three times a day.
We're safe now because it's their lunch time.
This is their menu.
SPACE SAMURAI LUNCH MENU
Look at this, young Chojin!
Sole Meuniere
Duck cooked in wine
Tenderloin Steak
Wow.
20 Half-cooked Eggs
10 Slices of Bread
Fresh Vegetables
DESSERT
Cheesecake
Coffee
Frozen Yogurt Drink
With this for dessert.

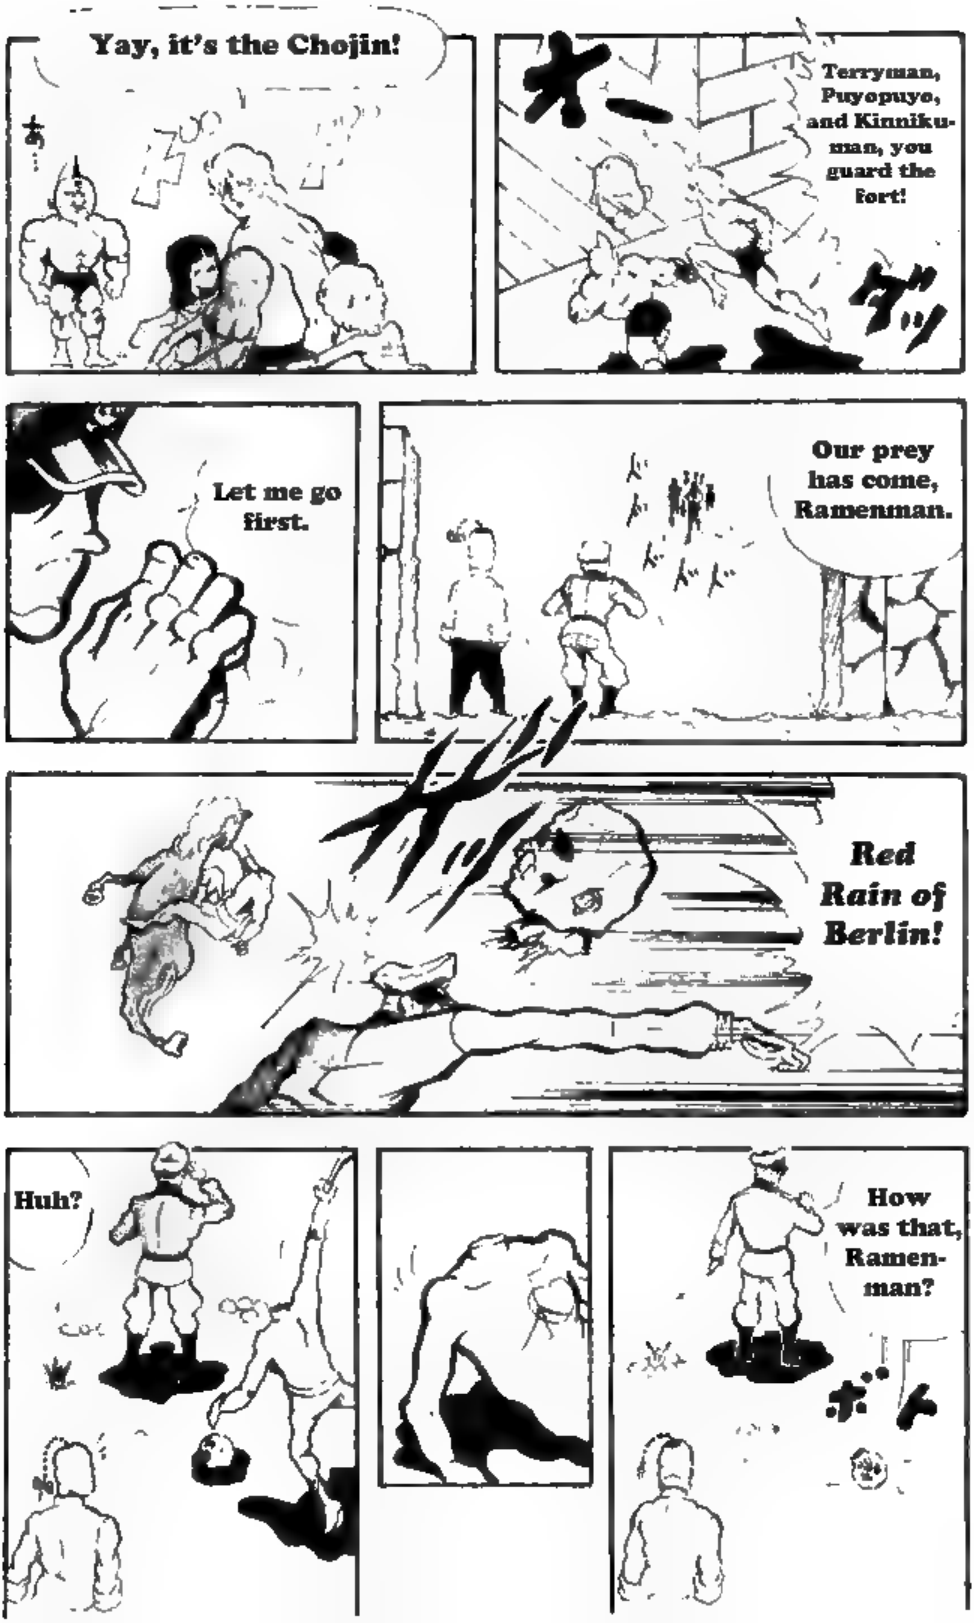


This is our menu.
Red dog steak, for variety
Ground Gruel
Cold Gruel
I'm getting hungry.
They sure eat well.
For the sake of comparison...
PM
For those of you who don't get it, read Motomiya's manga "Daikaiin".
Gro
Hey, Elder!
Those foods suck!
Utopia!
Beans-man...
It'll be fine now that we're here. Planet Rakka will soon have peace again!

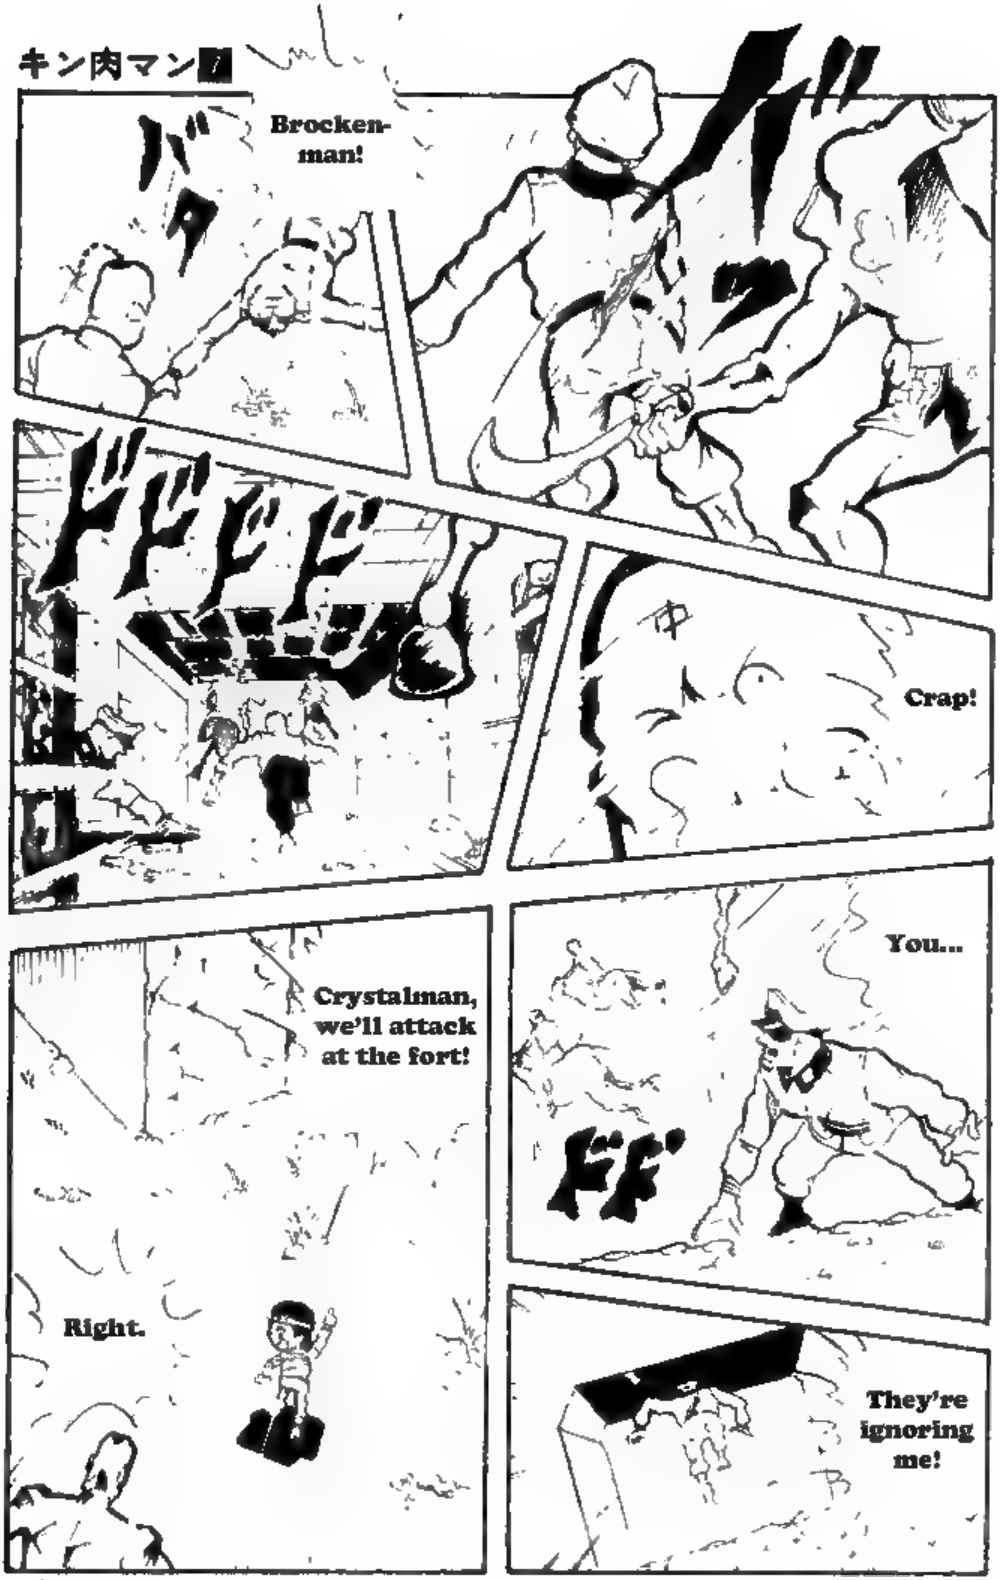
What's that sound!?
The Samurai's lunch break must be over...
Here they come!
The Space Samurai!
Just then...

The Seven vs. The Monsters





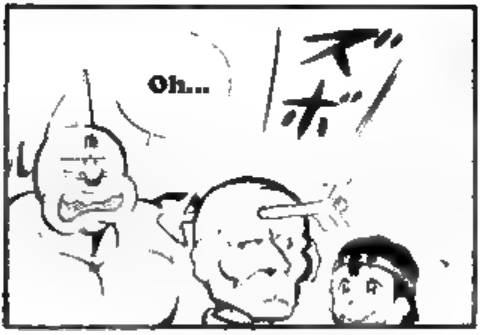
Yay, it's the Chojin!
Terryman, Puyopuyo, and Kinnikuman, you guard the fort!
Let me go first.
Our prey has come, Ramenman.
Red Rain of Berlin!
Huh?
How was that, Ramenman?



Brocken-man!
Crap!
You...
Crystalman, we'll attack at the fort!
Right.
They're ignoring me!

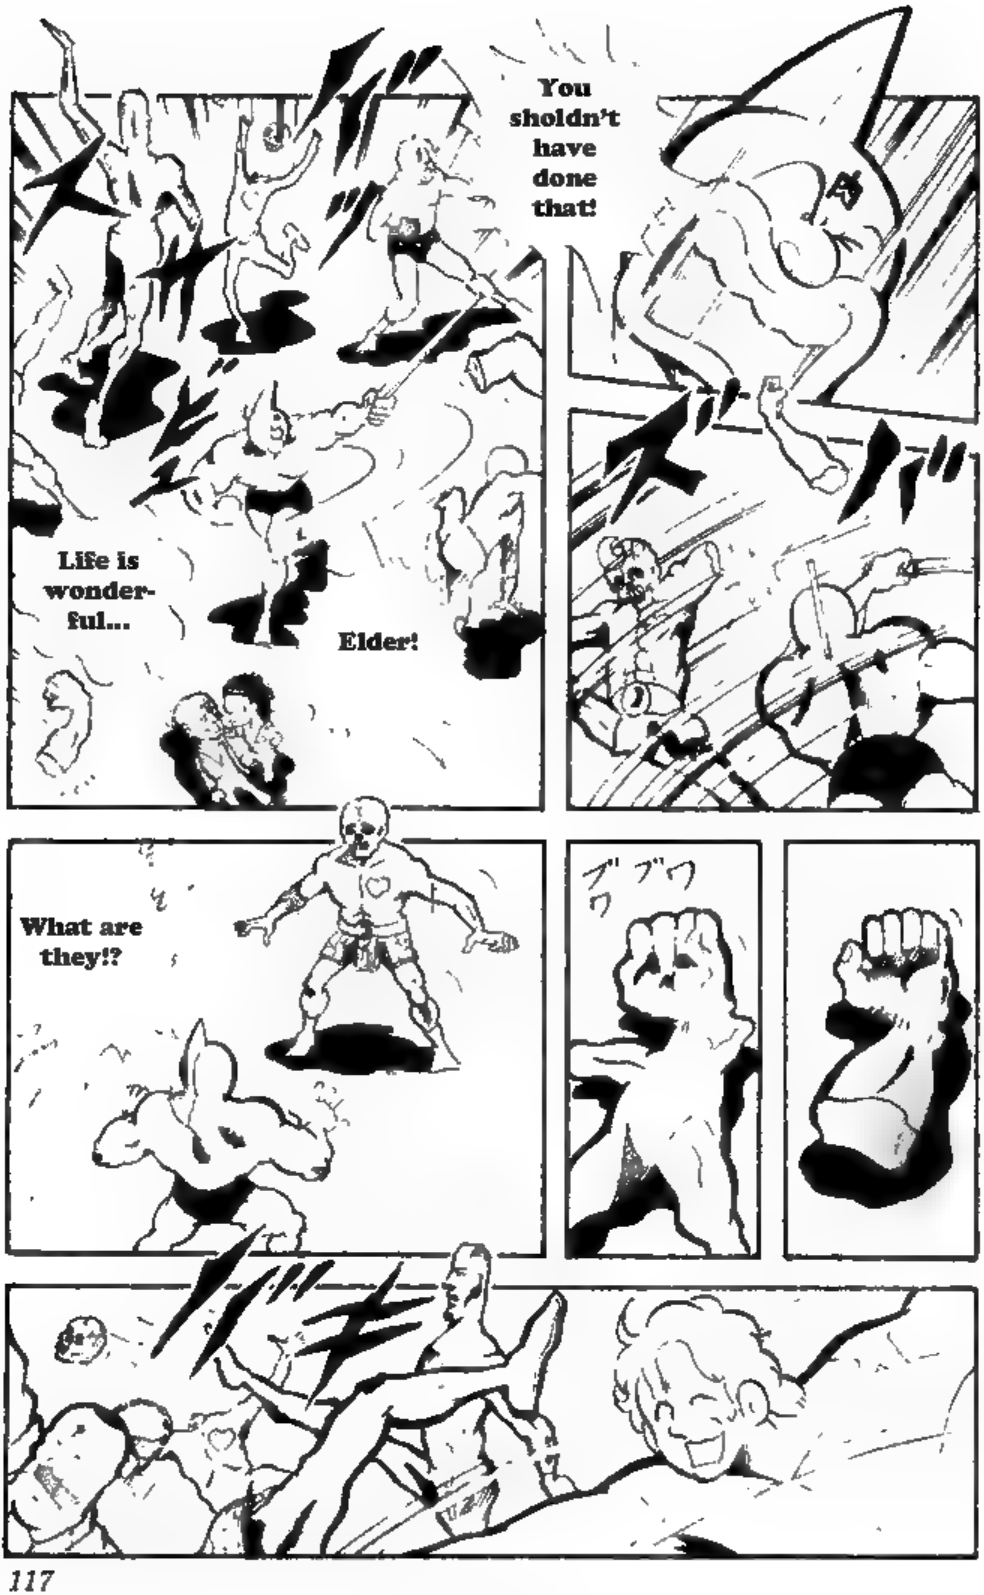
Tell those loser Chojin that today will be the end of all of you!

You're kidding! That's what we should be telling you!



Oh...

Yeah!

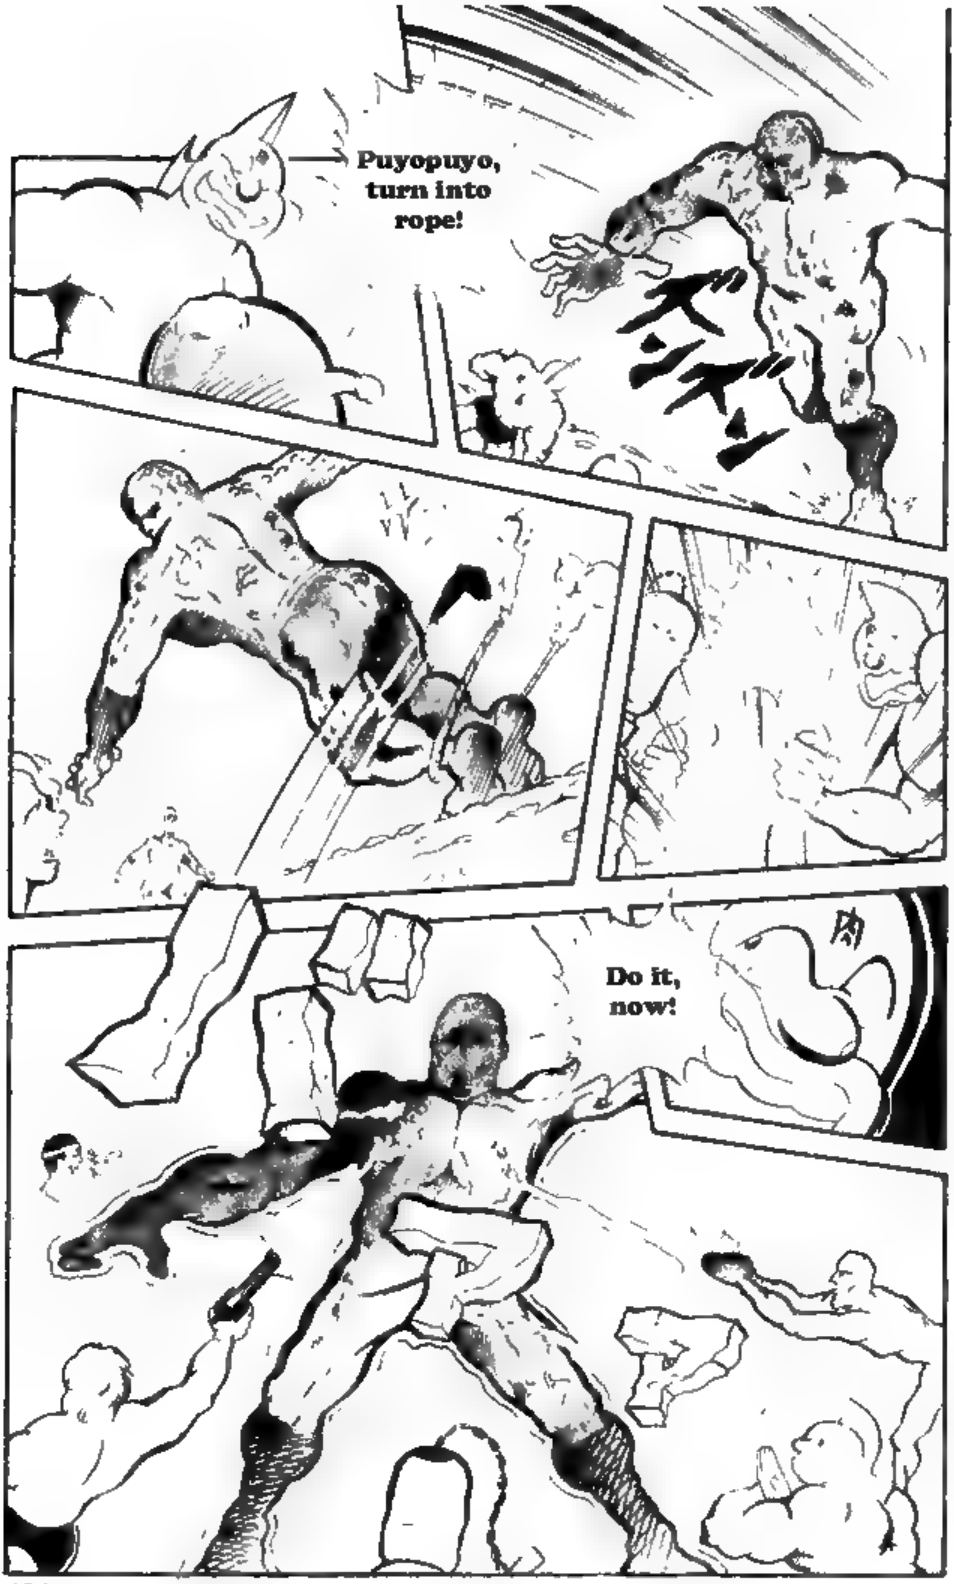


You sholdn't have done that!
Life is wonder-ful...
Elder!
What are they!?

We did it!
They must have a weakness!
They're cell-splitting monsters!
Again!?
You can't ...
See?
Like the heart on their chest.

They're merging into one huge monster!
What's going on!?
Get out, everyone!

Our only chance is to all attack at once!



Puyopuyo, turn into rope!
Do it, now!
肉

肉
WE DID IT!

No, thank you.
Thank you.
We're really greatful for everything you've done.
Fine, but I get to drive us home!
Until we meet again.
Huh?
And so, in space...
Shut up!
This is your fault, Kinnikuman!
It's an unlicensed driver with a speeding violation.
